A Message from the MDP Respect Life Group in honor of Respect Life Month:

Did You Know?

“The deliberate decision to deprive an innocent human being of his life is always morally evil and can never be licit either as an end in itself or as a means to a good end. It is in fact a grave act of disobedience to the moral law, and indeed to God himself, the author and guarantor of that law; it contradicts the fundamental virtues of justice and charity”. – St. Pope Paul II, Evangelium Vitae

Later, he states, in this same encyclical: “In the case of an intrinsically unjust law, such as a law permitting abortion or euthanasia, it is therefore never licit to obey it, or to “take part in a propaganda campaign in favor of such a law, or vote for it.”

Pope Benedict XVI further clarified the moral implications and underscored the severe gravity [mortal sin] of such an action when he wrote: “A Catholic would be guilty of formal cooperation in evil, and so unworthy to present himself for Holy Communion, if he were to deliberately vote for a candidate precisely because of the candidate’s permissive stand on abortion and/or euthanasia.” – Pope Benedict XVI, Worthiness to Receive Holy Communion: General Principles
