God our Father, who wills that all men be saved and come to the knowledge of Your Truth: We beg You to send Laborers into Your harvest, and grant them grace to speak Your Word with all boldness; so that Your Word may spread and be glorified, and all nations may know You, the only God, and Him whom You have sent, Jesus Christ Your Son, Our Lord. Amen.

We pray a rosary & St. Monica prayer in front of the Blessed Sacrament for our children who are struggling with faith or have left the church.

### STUDENT CORNER

Our middle school students recently explored the fascinating world of enzymes in science class! Through hands-on experiments, they discovered how pH and temperature affect enzyme function. They learned that when an enzyme becomes denatured, its shape changes, making it unable to do its job. Using catalase—an enzyme found in our bodies—they observed how it quickly breaks down harmful hydrogen peroxide into harmless water and oxygen. Without enzymes, these reactions would happen far too slowly to keep us healthy!
